

# Come On Home

(Cocoa Beach Town Homes Theme Song)

## Verse 1

It's okay that we play Pay Me on Mondays here  
It's okay to sit out in the parking lot and drink a beer  
And in the middle of the day call if you wanna walk  
It's ok 'cause I want to walk too

It's not bad of you to visit all your northern family  
But you can't blame me for secretly hoping that you'll stay with me  
It's okay that I pray that you will miss your flight  
And have to stay in Cocoa Beach tonight

## Chorus

It's not like up north where snow's all you see  
It's warm and it's sunny, it's ninety three  
When we're far apart and your lonely heart  
Finds it hard to get through the night  
Hop on a plane and catch the next flight  
Hop in the car, take a bus... or just bike

## Verse 2

When we're out on the beach and playing in the sand  
I've got a pocket full of seashells that the tide washed in  
Or when we're at the pool talking with our friends  
That's when I realize just how blessed I am

I like the way that our neighbors here at Cocoa Beach Town Homes  
Go out of their way to make sure that you really feel at home  
When you're here it's important that you feel like family  
Because you really are family  
Our Cocoa Beach family

## Chorus

It's not like up north where snow's all you see  
It's warm and it's sunny, it's ninety three  
When we're far apart and your lonely heart  
Finds it hard to get through the night  
Hop on a plane and catch the next flight  
Hop in the car, take a bus... or just bike

## Outro

So come on home  
Just come on home  
Come on home  
Just come on home
